### Democratic Ticket.

For President in 1904:

JUDGE ALTON B. PARKER,

—or—

SEN. ARTHUR P. GORMAN.

### Announcement.

We are authorized to announce  
JAMES N. KEHOE  
as a candidate for Representative in Congress from the Ninth District of Kentucky, subject to the action of the Democratic party.

We are authorized to announce  
HARVEY JOBE, JR.,  
as a candidate for County Judge subject to the action of the Democratic Primary.

Prof. John P. Brooks, dean of the Department of Civil Engineering, State College, has been notified by E. W. Lucas, Captain of corps of United States engineers at Memphis, Tenn., that upon his recommendation the State College has been placed upon the accredited list of schools of engineering in the United States, and that students having diplomas from the State College are entitled to promotion to junior grade of engineers after one year's active service, during which time the required ability has been shown. This ruling places the State College on equal footing with the best engineering schools in the country.

On the seventy-ninth ballot, Charles S. Deneen, of Chicago, was nominated for Governor by the Illinois Republican Convention, at Springfield.

Everything is quiet at Hanging Rock, O., and it is expected that the militia will be withdrawn. Efforts are being made to settle the strike, but so far they have not been successful.

Miss Alice Roosevelt visited the Palace of Agriculture at the World's Fair Friday and was much interested in the Kentucky hemp and tobacco exhibits, of which she spoke in complimentary terms.

The anniversary of the birth of Jefferson Davis was generally observed throughout the South Friday as memorial day by the Confederate veterans. Business was suspended in many cities and the graves of the dead heroes were strewn with flowers and eulogies were pronounced by orators.

An Ohio exchange speaks of a man who always pays his local paper two years in advance. As a result he has never been sick in his life, never had corns on his toes or toothache, his potatoes never rot, the frost never kills his pears, his babies never cry at night, his wife never scolds and he succeeded in serving three terms on the School Board without being criticized.

There are rumors from the Far East that a great battle is in progress at Port Arthur, but they are not verified and the reports are lacking in details. A Tokyo dispatch says the Japanese have occupied the first line of the fortifications outside of Port Arthur after a feeble resistance, and another correspondent of another paper says the Japanese have occupied Kwan Tung heights, on which they employed heavy artillery dominating Port Arthur. There are rumors, also unverified, of severe fighting on the Liao Tung peninsula.

## YATESVILLE.

The digging of May apple root is one of the leading industries among some of our people. Say, why not some of the oil machinery come our way. It is said that right here in our locality there is a spot of ground that is one of the finest looking places for oil that is to be found anywhere in this section, and it is also a good site for operating an oil well. It is on the land of Frank Cooksey, near Fallsburg. A prospector passing through said that on said spot of ground, oil could be obtained without a doubt and that at a very slight depth. Mr. Cooksey says there is also some indications of gas at the same place as he can see lights rising from the surface any damp night. The spot of ground referred to is the smallswag in the bottom just below Mr. Cooksey's home.

We are having a fine growing season, the corn and weeds coming up together and farmers are making the best fight they possibly can in favor of the former and vs. the latter.

H. B. Salters is slowly recovering from a severe attack of inflammatory rheumatism.

The mail service on this route from Louisa to Ollioville via Yatesville and Cadmus is still giving satisfaction. Mr. Jordan, our present carrier is always on time with the regularity of the sun, and we are satisfied that when William Dean, our next carrier, comes in the first of July the service will continue as at the present, as Mr. Dean has his own recommendation, this section of the country having been his home all his life.

Mrs. Nellie Ferguson, of left Car, passed through here enroute to Louisa on a shopping expedition.

Marion Hammonds, wife and daughter, of Brammer Gap, called on us a few days ago.

The wire work over the schools for the present year has begun. It's just tug and tussle, and who will and who shall be the teacher.

John B. Riffe, our telephone worker, is continually on a telephone repairing tour somewhere over the country.

Mrs. Robert Caines, of Fallsburg, informs us that she is contemplating a trip to the World's Fair in the near future.

Attorney J. M. Riffe is attending court at Louisa this week.

Country Greenhorn.

John Skaggs and family, of Rowan county, were visiting at S. B. Terry's this week.

Bob Pyffe was out at work clearing a new ground a stuck a dog-wood stick in his ear more than three inches, bursting the drum of his ear and causing him great pain. Dr. Conrad Rice is treating his case.

## CHEROKEE.

We have on our creek two Sunday Schools in full blast. Mr. Robert Preston is superintendent of the lower one and Mr. John Cooper superintendent of the upper one.

We have two oil wells going down, one at Jesse Young's and the other at John Cooper's.

The worst thing now on the farmers is we have had a week of wet weather, and they are now in the weeds. Grass and oats are fine the best for several years. Corn looks well, but very weedy. Pastures are good.

There is not a day that some of the oil well machinery does not pass on our road to the upper country.

The people of our neighborhood are talking of making Enoch Cordi our next jailer.

Our big sawmill has left our

## A Buying Opportunity That Comes But Once a Year.

Our Summer Clearance Sales have become a yearly event of such importance to economical buyers that many wait weeks and weeks for this occasion to take place.

It's really the Bargain Season of the year.

Most everything is reduced regardless of cost. The one purpose is to clean out stock for our Fall Goods—and a clean-out it must be. Our prices usually have the desired effect. We put them so low that you can't help but consider them.

If we quoted all the prices here it would fill the entire page, so we only tell you to come and judge our method of clearing stock.

The saving you can make by buying here will more than pay your fare.

their work, but while that is true, it has put grass in the finest condition possible for the "cattle of the thousand hills."

New potatoes are being found on the tables of many of our industrious gardeners, and allow us to say the prospect for a potato crop is by far the best in years, while the wheat is a noted failure.

On behalf of the Sunday Schools of Little Blaine and Georges Creek Magisterial Dist., we wish to thank the people of Charley for the most excellent manner in which they entertained the Sunday School Convention on the 28th ultimo. Such hospitality and gentle kindness is rarely seen, and to all who were visitors on that occasion it seemed a new home. It certainly was a day well spent and a genuine, first-class convention and fully appreciated by all.

Condition of the road from Forks of Little Blaine to Louisa did you say? Please don't ask me, but just drive over it.

## CHARLEY.

First we want to state the Decoration of the M. P. S. here on the 28th ult. was a grand success and was joined with a concourse of friends and neighbors which made a very large crowd. They marched to several graves and strewed many flowers and had eloquent speeches, but the grandest event of the day was that of decorating the living, old uncle Isaac Pack, Sr., at his home place by his request. He is one of the first who settled on this creek many years ago when there was but two families besides his, when this creek was a solid wilderness and no roads, no mails, no schools, no stores, no grist mills. He was the one who had the first boundary line run for a school district on this creek, and to have the road surveyed from month of George's creek to Milt Swetnam's, on Brushy creek. His age is 91 years, and he is one among the best citizens of Lawrence county and should be remembered by the rising generation.

Mrs. Roscoe Burton, who has been confined to her room for quite a while, is improving slowly.

Mrs. T. J. Spencer, Mand and Antalee Spencer were calling on relatives here last week.

Dr. Wheeler, of Johnson county, has located here at Dave Spencer's to serve our people with the greatest of pleasure.

Mrs. Gus Moore visited home folks at Forks of Little Blaine last week.

Several of our people attended court this week.

The Sunday School Convention that was held here on the 28th was very much appreciated by our people and was largely attended. Our people are always willing to lend a helping hand in this good work.

Mrs. Alonzo Burton, who has been on the sick list, is able to be out again.

L. W. Thompson and Oaky Vaughan are here from Russysville hauling lumber from Brushy.

David Spencer is erecting a dwelling house on Spencer's lot.

Roscoe Burton is building a house for Green Hays.

Blue Hawk.

The Paintsville Herald says:—Tracklaying on the railroad extension has been suspended this week on account of heavy rains. The track has been laid to Jim Linda Castle property, above the mouth of Muddy Branch, and will reach the Paint creek bridge by Saturday.

The construction train is following up the work, and the citizens of Paintsville are now able to hear the whistle of the locomotive.

The iron work on the Paint creek bridge will be placed in position as soon as cars can reach the bridge. It will require only a few days to put up the bridge, and tracklaying will then continue on up the river.

Many flying reports have gained circulation concerning the location of the Paintsville depot. Some of our people are strongly inclined to the belief that the depot will be located on the lower side of Paint creek, but The Herald is in a position to say for a fact that the depot will be located in Bud Stafford bottom, and those contemplating different had as well be resigned to their fate.

The City Council met Tuesday night. A complaint was put in by some draymen about the wharfboat being anchored at the foot of the grade and an order was made to move it.

The city has been receiving so little revenue from the marshal's office lately that a motion was made to abolish the salary, except \$15 per month for lighting and cleaning the street lights.

Other than this he is to receive the fees from the office and the usual per cent. for collecting taxes. The vote stood 3 to 3, the Mayor casting the deciding vote.

An order was made to place a street light in the southeast addition.

## Valuable Handkerchief.

The following item is going the rounds of the press, and has called the attention of one of our citizens to the value of a highly prized relic which has been carefully kept in the family ever since the war:

"Walter Aldrich, the bibliographer of Providence, has in his possession a unique bandanna handkerchief, one yard square, made of silk of red body, with portraits of Davis, Beauregard, Semmes, Lee, Mason, Sildell, Morgan, Jackson and Johnson printed in black, encircled with wreaths of characteristic southern leaves, with ferns and the cotton plant on white ground. It is said to be the only one extant of the 12 ordered for the Confederate government in England by Judah P. Benjamin and was rescued when on his way to this country from the Alabama when she sank. It subsequently became the property of General Kirby Smith, but Mr. Aldrich now owns and has it framed and glazed and values it at \$1,000."

Mrs. Robt. Burchett, of Louisa, has one of the original twelve handkerchiefs described above. It is in an almost perfect state of preservation, having but two breaks in it. The color is as bright as if new. It is a handsome piece of workmanship and the description given above is not in the least exaggerated. Mrs. Burchett's father, Mr. S. W. Ratcliff, who was a Confederate soldier, paid \$100 for the handkerchief near the close of the war. It has been in Mrs. Burchett's possession for several years.

Dr. Louis D. Jones, formerly of St. Louis, Mo., is now permanently located in Louisa, Ky. Dr. Jones holds a diploma from The Missouri Dental College, (Dental department of The Washington University) and is registered in Missouri, Ohio, Kentucky and Tennessee.

Below is a copy of a letter which was voluntary given by Dr. C. W. Richardson, Professor of Prosthetic Dentistry, and Asst. Supt. of the Infirmary, to Dr. L. D. Jones, while a student at The Mo. Dental College. I will again have to ask my friends to please come into my office by the way of the north entrance of the Arlington Hotel. The door at the south end of the hall has been locked, and then fastened good and tight with two inch screws—A word to the wise is sufficient.

## Alfalfa in Lawrence County.

W. T. Kane, one of our most intelligent and progressive farmers and live stock breeders, has fully demonstrated the adaptability and success of alfalfa for Lawrence County's poorest land. Yesterday he showed us a bunch of this great product, cut from a very poor piece of hill land, the elevation of which is 1108 feet. It grew on his farm near Fallsburg. This was the second cutting this year and it measured 36 inches in height. He had other samples twelve inches high which were from seed sown in the early part of last month.

Most of our farmers are familiar with the great results achieved throughout the west with alfalfa as a food for stock. No matter how dry the location, nor how poor the land, it seems, this grass flourishes and can scarcely be eradicated. The only difficulty is in getting it "set." Mr. Kane says this can certainly be done by proper methods. Let our farmers take up this matter and turn their old hills into green pastures.

Mrs. Mary E. Balch, the State's Corresponding Secretary of the W. C. T. U., will visit the Louisa Union on June 21st, and will address them at the Court house that evening. There will also be a musical program rendered, and some recitations given. Everybody who is interested in the cause of temperance is cordially invited. From now until that date we will ask the gentlemen to lay aside their little sum they invest in tobacco and cigars, as well as the ladies their candy and chewing gum expense and let's contribute largely to a cause that is just and right. We would be glad indeed to have representation from every section of the county at that meeting. Cordially yours,  
Mrs. Josephine Rice, Pres.

## Louisa's Waterworks.

W. B. Cox, who owns a franchise recently sold by the city of Louisa for the installation of a water works and Sewerage system, arrived here last Friday and began the preliminary work at once. The survey is being made and contracts closed for Sewerage service Mr. Cox will push the work with all possible haste and expects to have the system in operation sometime in October.

## OUR 4th OF JULY

Celebration Will Far Surpass the One Given Last Year.

Louisa is to have a 4th of July celebration. Committees are now at work raising money and a program will be arranged as soon as possible. It is intended to make the celebration interesting enough to bring everybody to Louisa on that day.

Arrangements are under way for another Fourth of July celebration this year. We are not yet able to give particulars but can say that there will be a celebration—that it will be a larger and better one than we had last year. The arrangements are in the hands of efficient committees.

We would be glad to receive suggestions from any one as to features that it is believed would prove acceptable. Let the people throughout the county say what will suit them best. Address communications to Box 52, Louisa, Ky. Com.

## OUR NEIGHBORS.

Joseph Davidson Harkins and John Calvin Harkins, of Prestonsburg, are among the graduates in the academic department of Center College at Danville.

Jas. M. Rice, a former citizen of Catlettsburg, after spending a couple of years on his farm near White's Creek, is moving back to his hillside home on Railroad street—Ashland Independent.

A prominent railroad official says he heard that a deal would be closed soon by which the control of the Cincinnati, Hamilton and Dayton Road would pass to the Pere Marquette or the Boston people who own that property. The Pere Marquette, which reaches Toledo, where it connects with the C. & H. and D., has been reaching out some lately, and has made trackage contracts with Vanderbilt lines for an entrance to Chicago and also to Buffalo.

Mr. Luke Powell and Miss Margaret Schugh will be united in marriage Wednesday, June 15, at Ashland. Rev. W. C. Condit pastor of the First Presbyterian church of which both parties are members will perform the marriage ceremony. It will be a very quiet home affair, only relatives being present. The bride to be is truly a very handsome and popular young lady. The groom, while an Ashland boy, is now cashier of the bank of Cannel City, Morgan county. Immediately after the ceremony Mr. Powell and bride expect to leave for a brief wedding tour, and later will go to their home at Cannel City—Ashland Independent.

Williamson, W. Va., June 6.—Another man has been found dead with every indication pointing to murder. Last Thursday night Romulus Swader left home between sundown and dark with the intention of going to see a doctor. He did not return Friday night and his relatives and other parties about town searched for him all day Friday without finding any trace of him whatever. Saturday morning he was found in the river at the ford in the east end of town. A coroner's jury was summoned and an inquest held. Dr. Ben Harris made an examination of the body and stated that the man did not come to death by drowning. It was the opinion of the physician and it is generally believed that the man was choked to death and thrown in the river. Swader was about 60 years of age.

Hi Swader, a youth of about 16 years and the son of the murdered man, was the last one seen with him, and according to the boy's own evidence, he accompanied his father to town and back up the hollow to Jerry Blackburn's home. Jerry Blackburn was a son-in-law to "Old Man" Swader and it was said that the two men had some difficulty over a tract of land on the branch. This morning warrants were issued for Jerry Blackburn and Hi Swader, charging them with the murder of their father and father-in-law and they were placed in jail.

## Circuit Court.

The jury disagreed in the case of Isom Ferguson, charged detaining a woman, which was on trial when the News went to press last week.

Very little business was transacted in court after that, and on Wednesday an adjournment was taken until next Monday.

The cases of Victor and Fred Caperton and Al. Wellman, charged with shooting into the Sheriff's party last winter when Chas. Vaughan and L. D. Boggs were wounded, are set for trial next Monday.

James L. Carey has purchased from Boyd Wellman a house and lot in the South side Addition to Louisa, and will move into it July 1st.

The M. E. Church will give an ice cream supper at Mrs. Lizzie Wellman's this (Thursday) evening.

## Announcement.

To the voters of Lawrence county: I hereby announce myself as a candidate for County Judge of Lawrence county, to be voted for at the November election, 1905, subject to the action of the Democratic party. What is your interest is my interest and so make this announcement by the solicitations of my many friends from all parts of the county, and in so doing I feel that I am better qualified to fill the very responsible position of County Judge in the future than in the past, as I have a good library of law books since I went out of office and have made it a business to study them.

In making this announcement I am not waging war on any one. I am simply in the hands of the voters and tax-payers of Lawrence county and what is their will shall be my good pleasure, and if given the nomination I shall try to be elected; and if elected will know no one in the discharge of my official duty, rich or poor, black or white, bond or free.

Being under many and lasting obligation to the voters of Lawrence county for what they have done for me in the past, I remain,  
JOHN H. THOMPSON.

## All Bodies Recovered.

The body of the third victim of the quadruple drowning near Buchanan, two or three weeks ago was found in Big Sandy river last week at a point opposite England Hill. The body was removed to Catlettsburg and there identified as that of Mr. Hicks. The remains were taken to Buchanan on the O. & B. S. train for interment. Thursday morning, just a short distance below where the accident occurred, the body of the fourth victim, Mr. Lambert, was recovered. It is presumed that this body became covered up in the sand, and that it was washed out by the present tide in the river.

## An Ordinance.

WHEREAS, Lexington & Big Sandy Railway Company proposes to erect and build a new brick station building or passenger depot on the site where the old frame depot was burned, on the West side of Jefferson street, between Main and Madison streets, in Louisa, Ky., and whereas, it is desired to make said station and grounds around same more convenient and comfortable for the City of Louisa and the traveling public in general, it is now proposed by said Railway Company to build or lay a concrete pavement or walk on the whole or part of Jefferson street between the property line of Lot No. 81 on said Jefferson street and the railroad track, and said concrete pavement or walk will have to be higher than the present grade pavement on said square.

SECTION 1. Said Lexington & Big Sandy Railway Company, its licensees or successors is hereby granted the right and privilege of building, making and maintaining a concrete pavement or walk sixteen (16) feet wide extending from the property line of Lot No. 81 next to Jefferson street on all, or any part of Jefferson street, between Main and Madison streets, and said Company, its licensees or successors is hereby authorized to build and maintain said pavement or walk, not to exceed 15 inches higher than the present line of railroad track between Main and Madison streets and the said pavement or walk is to be furnished by the Railway Company with suitable steps or incline at each end of same, to enable the free use of same as pavement or sidewalk, and the said Railway Company, its licensees or successors is hereby granted the right to raise the pavement on the portion of the lot known as "Depot Lot" on Madison street, so as the same is not more than 12 inches higher than its present grade, and shall either make easy steps or incline to approach said pavement after being raised.

SECTION 2. This Ordinance shall be in force from and after the publication thereof.

Anna Elizabeth, little daughter of Mr. and Mrs. D. J. Thompson, of Webbville, died at the home of her grandfather, M. M. Walter at Blaine last week, after an illness of two or three weeks with typhoid fever. She was about four years of age and a very bright child.

## A Change in Business.

On account of a decision just reached to make an important change in our business, we have begun a

## Complete Clearance Sale

and are naming such low prices we expect to unload our shelves and counters almost entirely within the

## NEXT THIRTY DAYS.

This decision was not made until after our Big Summer Line of goods had arrived, so you have as complete a stock as was ever shown here to buy from at this great sacrifice sale.

We want to move the goods quickly and if low prices will do it the stock will not last long. Our goods are up-to-date and were bought at the lowest prices, and you get the benefits. It is not a job lot of odds and ends, old and worthless, but the stock is all good value and worth every cent we asked even before this big reduction sale began.

This opportunity is such an excellent one that you can not afford to let it pass, even if you do not need the goods just now. It will pay you to buy for your future needs. Come in at once and you will have choice, as these goods can not last long at the prices at which they are offered. Remember that we sell

## Dry Goods, Notions, Clothing, Hats, Shoes, Dress Skirts, Ladies and Gents Furnishings.

The heavy cut in prices extends through all our lines, and it would therefore be impossible to name prices here. Call and see for yourself.

## The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to develop, it will attack the vital organs or the kidneys themselves break down and waste away cell by cell. Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one dollar sized bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention "reading this paper" in this paper.

## West Virginia Republicans.

Washington, May 30.—There is little attempt among West Virginia Republicans to conceal the bad split in their ranks. The fight between Dawson and Teter for the Republican nomination for Governor or daily becomes more bitter and the State Convention at Wheeling early in July promises to wind up in a bout by the Teter faction, which from present indications will be defeated and the tax reformer, Dawson, who is opposed by the mines and railroads, will be nominated.

Representative Hughes, of the Fifth West Virginia district, was in Washington for a few hours and shares with his fellow-Republicans the general feeling of despondency over the situation.

"Unless there is a change," said Mr. Hughes to-day, "our party promises to go into the coming election badly handicapped through factional difference."

"There must be a change for the better or we will lose the coming election."

"The greatest bitterness is being manifested on both sides, and it is going to be a difficult matter to unite the adherents of Dawson and Teter so that we may carry the State."

"It looks now as if Dawson will be nominated. The people seem to be for him, and regardless of the strong fight being made by Teter, Dawson is clearly gaining and I think he will be nominated by the Wheeling convention."

## Triumph Of Modern Surgery.

Wonderful things are done for the human body by surgery. Organs are taken out and scraped and put back, or they may be removed entirely; bones are splined; pipes take the place of diseased sections of veins; antiseptic dressings are applied to wounds, bruises, burns and like injuries before they heal without maturation and in one-third the time required by the old treatment. Chamberlain's Pain Balm acts on the same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness. Keep a bottle of Pain Balm in your home and it will save you the time and money, not to mention the inconvenience and suffering which such injuries entail. For sale by A. M. Hughes.

Kindly take notice that Ely's Liquid Cream Balm is of great benefit to those sufferers from nasal catarrh who can not inhale freely through the nose but must treat themselves by spraying. Liquid Cream Balm differs in form but not medicinally from the Cream Balm that has stood for years at the head of remedies for catarrh. It may be used in any nasal atomizer. The price, including a spraying tube, is 75 cts. Sold by druggists and mailed by Ely Brothers, 56 Warren Street, New York.

children, just prepare to meet your dear father in heaven as it is the Lord's will. We mourn not as those who have no hope for we will meet him in heaven. He left bright evidence that he was going to rest. The dear family has our greatest sympathy. He will be missed not only by his family but by all who knew him. His age was 52 years, 4 months and 2 days, and after three weeks' illness the Lord called for him. He was laid to rest in the Plum Grove cemetery. The burial service was conducted by Brothers Fox and McGinnis.

The death angel visited the home of Mr. Joe Wellman and took from him his loving companion who had been a sufferer of consumption for some time. We extend our greatest sympathy to the sad family of Mr. Wellman. She was a member of the church and was ready for the Lord to call her home, where she would have to suffer no more pain nor death. Her funeral was preached Sunday by Rev. Copley and Rev. T. H. Large. A large crowd attended the funeral.

Mrs. America Adams has returned from a week's visit to Greenvale county.

Misses Rannilla Holbrook and Lester Queen were here from East Fork Sunday.

Martha Webb, Mary Browning and Nannie Webb attended church at Daniel's Creek Sunday.

Hester and Emma Young attended Sunday School at Daniel's Creek Sunday.

Misses Cassie Holbrook was visiting Virgie Adams Saturday and Sunday. Also Miss Hattie Young.

## For a Hundred Years.

For a hundred years or more Witch Hazel has been recognized as a superior remedy, but it remained for E. C. DeWitt & Co., of Chicago, to discover how to combine the virtues of Witch Hazel with other antiseptic, in the form of a salve. DeWitt's Witch Hazel Salve is the best salve in the world for sores, cuts, burns, bruises and piles. The high standing of this salve has given rise to counterfeits, and the public is advised to look for the name "DeWitt" on the package, and accept no other. Sold by Louisville Drug Co.

## Republican Preacher on Negroes.

Morgantown, W. Va., June 1.—Dr. M. F. Compton, of the M. E. Church, electrified his congregation after preaching about the election of evils and the connection of the negro with them by saying that the North had freed the negro and given him the ballot, but the time is to come when it will take the ballot away from him.

"I expected to be cheered for that statement," he said, and then the cheering came in a tumult. He was preaching to the veterans, who had been escorted to the church by the Junior Order. "I am a republican, but I have seen too much of the negro in politics. He is demoralizing to himself and the whites. All day on election day I saw drunken negroes associating with white men and I saw one of them run into an old, gray-haired woman and almost knock her down."

The sermon caused a sensation. The church was crowded and hundreds had to be turned away.

This is the time of year when you need something to invigorate your system and purify your blood. Get a bottle of pure Sarsaparilla at A. M. Hughes' drug store. There are many kinds of so-called sarsaparilla blood purifiers, but they are not all good. Be sure to get the unadulterated.

## OBITUARY.

Cecilia Bellomy, wife of William S. Bellomy, of Casper, Ky., departed this life May 25th 1904, at the age of 37 yrs. and 22 days. She was the daughter of Ulric and Elizabeth Miller. She was married to William S. Bellomy September 15, 1886. They lived quietly and happily together having a comfortable and happy home which was blessed with five bright girls, the oldest now being 16 years of age and the youngest 2. She trained her children right, they being her constant care. She leaves with husband and daughters a father and mother, four brothers, and three sisters and a host of friends who mourn their loss in her death. She was a devoted Christian having joined the Methodist Protestant Church in her youth. She embraced the religion of our Lord Jesus Christ about 10 years ago and her life has been a written epistle since. She was taken sick with typhoid fever on the 2nd day of last March which seemed to baffle the skill of our best doctors.

She patiently endured her affliction for nearly three months and being ready for the summons she spoke of it as if taking a journey, not without a struggle, she suffered intensely most of the time. Last Thursday, May 25th, surrounded by father, mother, two brothers and one sister, her immediate family and a number of friends, her spirit passed quietly away.

We extend our sympathy to her bereaved family, especially the husband and children. Weep not for her for our loss is her eternal gain. She is home at last on heavenly mountains having heard the "Come and enter in." Saved by life's fair flowing fountain saved from earthly taint and sin. T. B. B.

The best disinfectant of all is sunlight. It destroys by its very brightness all sorts of germs and at the same time helps the growth of plants and animal life. Doubtless all have noticed that mold grows during the night and in dark, damp cellars. Bright sunlight quickly destroys germs, mould or other organisms. That is why it is best to let the sunlight into your houses for its purifying influence. At the Invalid Hotel and Surgical Institute, Buffalo, N. Y., Dr. Pierce, chief consulting surgeon, started experiments some years ago, with the Finsen light in conjunction with the X-ray in the treatment of diseases. He got excellent results therefrom, and was among the first to adapt this remarkable cure to many cases which it was formerly supposed must of necessity be treated by the knife. Not only is Dr. R. V. Pierce notable for his surgical achievements at his hospital in Buffalo, but nearly a third of a century ago he discovered certain roots and herbs which were easily procured and ready to use. This he called Dr. Pierce's Golden Medical Discovery. It maintains the patient's nutrition by enabling him to eat, retain, digest and assimilate nutritious food. It overcomes gastric irritability and symptoms of indigestion, and in this way fever, night sweats, headaches, etc., are done away with. It fortifies the body against the germs of consumption, grip and malaria. It builds up the tissues and puts on healthy flesh. Those desiring to know something about the body in health and disease, also medicine and surgery, without technicalities, should read the "Common Sense Medical Adviser," which can be had for 25 cents in one-cent stamps for the cloth-bound book. Address Dr. R. V. Pierce, Buffalo, N. Y.

Last night after the lodge hour, all the members present of Evangeline Lodge, No. 88, I. O. O. F., at the invitation of Brother Leo Frank, repaired to his elegant home and partook of a delightful treat of light refreshments. The reception was in celebration of the fourth anniversary of the institution of Evangeline Lodge No. 88. The table was decorated in the lodge colors and loaded with flowers. The bountiful spread of strawberries, ice cream, cake and fruit was delicious and was served with charming hospitality by Mrs. Frank, assisted by her sister, Mrs. Bernholtz. There were eleven of the brothers present. After the dinner had been satisfied, Brother Eder Hinkle made a few feeling remarks on the true ties of brotherhood which animates the members of Evangeline Lodge. The true orator of the evening proved to be the Post Noble Grand P. J. Maillard, who delivered an eloquent address on the mission and work of Odd Fellowship in promoting the universal brotherhood of man. ## HEALTHY MOTHERS.

Mothers should always keep in good bodily health. They owe it to their children. Yet it is no unusual sight to see a mother, with babe in arms, coughing violently and exhibiting all the symptoms of a consumptive tendency. And why should this dangerous condition exist, dangerous alike to mother and child, when Dr. Boecher's German Syrup would put a stop to it at once? No mother should be without this old and tried remedy in the house—for it is timely use will promptly cure any lung, throat or bronchial trouble in herself or her children. The worst cough or cold can be speedily cured by German Syrup; so can hoarseness, it makes expectoration easy, and gives instant relief and refreshing rest to the cough-laden consumptive. Williamson, W. Va., June 6.—A force of surveyors is on Bon Creek near Warfield, and it is said that they are surveying a route for the Norfolk & Western to cut off the Chesapeake & Ohio on the Guyan river.—Ex.

Washington, June 3.—Under readjustment these changes in salaries of Kentucky postmasters are announced to day: Increase—Hodginsville, Morehead and Pikeville, \$1,000 to \$1,100. Decrease—Junction City, \$1,100 to fourth class.

The schedule on the C. & O. railroad will change in this month, as was stated some time ago, and the date has been fixed at June 26th. Two new World's Fair trains will be placed in service and there will be several changes in the time of the local trains on the main line.

Five coach loads of West Point cadets passed through Coal Grove on an N. & W. special, Tuesday evening, bound for St. Louis to take part in the World's Fair. They presented a fine picture in their uniforms, trimmed in gold, as they waved their cap and handkerchiefs.

Huntington, W. Va., June 3.—William Clark and Frank Harries, colored deckhands of the steamer Greyhound, were drowned here today, and the Coroner has held Edward Hollin, the mate, for murder. It is charged that Hollin pushed Clark overboard to recover some freight. Harries jumped to save Clark who was drowning, and both were lost.

White-boro, Ky., June 3.—For the first time in 20 years the French-Eversole feud factions of Perry County are now at peace. The peace agreement was reached last night, when William Eversole joined hands with Samuel French. By the assassination of Will Smith, of the Eversole faction, on May 24, it was thought the feud would be revived again. During the feud 40 men on both sides have been killed.

Judge Doolittle, who has been holding court in Wayne county, fined Lucien McGinnis \$200 and sentenced him to jail for thirty days on the charge of unlawful shooting. McGinnis, it will be remembered, in an altercation with A. W. Preston at Dickson last October, shot the latter. Mr. Preston is a native of Lawrence county, and a son of Harry Preston, one of our best citizens. The sentence was very light considering the circumstances.

At Devon, W. Va., a remarkable tragedy occurred. Dave Steele purchased a new rifle and wished to try it. Seeing his friend, Harry Farrell across the river, he thought he'd see if the gun would carry across the river, over one hundred and fifty yards. He took aim at his friend and fired. The bullet went straight home, fatally wounding Farrell. Farrell is dead. Steele escaped to the mountains, closely pursued by an enraged posse.

Frankfort, Ky., June 3.—The judgment of the Bath Circuit Court in the case of the Standard Oil Company against the Commonwealth was affirmed by the Appellate Court today. Judge Settle delivered the opinion, the whole court, except Judge O'Rear, sitting. The appellant was indicted, tried and convicted in the court below for peddling oil without a license, and fined \$500. The court here upholds the judgment of the lower court.

The honors for the year in the scientific department of Kentucky State College have been awarded to Heber H. Rice, of Paintsville, Ky., son of Harvey B. Rice, County Judge of Johnson county. Young Rice has been a student at the college for four years, was the first fraternity man ever elected president of the senior class—which has eighty members and is the largest in the history of the college. Mr. Rice is a member of the Lamp and Cross and Sigma Alpha Epsilon Societies, and is business manager of the Echoer, the college annual. He will represent the scientific department in the commencement day exercises.

W. H. Jayne, the Flat Gap merchant, who was recently tried in the Johnson County Court and sent to the insane asylum at Lexington, and brought back, was in A-hland a few days ago enroute for Arkansas to join his father, who resides somewhere in that state. Mr. Jayne has been engaged in business at Flat Gap for several years. At first he prospered and built up a good trade, but about six months ago his mind began to

## "Nothing More to Pay"

That's what he said and further, he (Mr. Ebe Walter, of Clarksville, Del.) said this:

The fact is that a Fifteen-Year Distribution Policy, issued by The Mutual Life Insurance Company of New York is a very interesting document. A yearly dividend, increasing each year after the policy is paid up—a sum paid the estate, and options which make it almost like handling so much cash and yet keeping it for your heirs at the same time.

In writing for information about a policy of this kind, state what you would like to receive in cash at the end of limited payment period, amount you would like your beneficiary to receive in event of your death, and give your age.

West Liberty, Ky., June 4.—Joe Long one of the most noted moonshiners in the mountains of Kentucky, was arrested on Grassy creek by Deputy Sheriff McClure and lodged in jail here. He is charged with selling whisky without license. Will Perry, son of Robert Perry, was also arrested by Deputy United States Marshal Jackson and brought before United States Commissioner Cico, of this place, charged with selling whisky without license.

The following letter from Robert R. Watts, of Salem, Mo., is instructive. "I have been troubled with kidney disease for the last five years. I lost flesh and never felt well and doctored with leading physicians and tried all remedies suggested without relief. Finally I tried Foley's Kidney Cure and less than two bottles completely cured me and I am now sound and well." Sold by Louisville Drug Co.
